This is an application only and is not an authorization to start. This application will be reviewed by the appropriate Town Official and a Licensed Building Inspector and becomes a permit upon approval and with the appropriate signature(s). The ELECTRICAL PERMIT APPLICATION Form and any necessary information must be filed with the Town Clerk/Town Official and Building Inspector. All applications become the property of the Town of Tilden, and will be placed on file, by address, for future reference.

**Landowner's responsibilities that apply to any project in the Town of Tilden:**

1. Always check your lot or Certified Survey Map (CSM) for easements as they must be honored.
  - a. Be sure of your lot lines.
2. Always check with the County and Town for requirements and permits.
  - a. If more than one (1) acre of land is disturbed, check with the DNR for a NR216 permit.
3. Chippewa County Zoning issues septic, well, flood plain, shore land and 911 addressing permits. Shoreland is land within one thousand (1000) feet of a pond or lake and three hundred (300) feet of a stream or river.
4. No permit will be issued for circumstances where the building and land are not owned by the same person (Personal Property for tax purposes.) unless it has been approved by the Town Board.
5. Call digger's Hotline before digging

**CAUTIONARY STATEMENT TO OWNERS  
OBTAINING BURIED ELECTRICAL LINE UTILITY PERMIT**

101.65(1r) of the Wisconsin State Statutes requires municipalities that enforce the uniform dwelling code to provide an owner who applies for a building permit with a statement advising that: If the owner hires a contractor to perform work under the ELECTRICAL PERMIT and the contractor is not bonded or insured as required under s. 101.654(2)(a), the following consequences might occur:

- (a) The owner may be held liable for any bodily injury to or death of others or for any damage to the property of others that arises out of the work performed under the building permit or that is caused by any negligence by the contractor that occurs in connection with the work performed under the ELECTRICAL PERMIT.
- (b) The owner may not be able to collect from the contractor damages for any loss sustained by the owner because of a violation by the contractor of the one and two-family dwelling code or an ordinance enacted under sub.(1)(a), because of the bodily injury to or death of others or damage to the property of others that is caused by any negligence by the contractor that occurs in connection with the work performed under the ELECTRICAL PERMIT.
